TRAINING AND PLACEMENT CELL

The goal of Training & Placement Cell is to provide students with a platform for using their potential to gain valuable experience by working in the industry , it also acts as the interface between various companies seeking talented young graduates and postgraduates in various disciplines.

Training: The cell arranges 4-week training in the industry for the III yr B.Pharm students at the end of the 6th semester. Our institution had tied up with the following industries for skill-based training and education.

S.No	Name of the industry
1	Sura Labs (Production & Analytical)
2	Thanya Technologies – Hyderabad
3	Norcalit private limited – Hyderabad
4	KP Labs – Hyderabad
5	Gum tree Analytical -Hyderabad

Placement: The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews.

Objectives :

1. Developing the students to meet the industries recruitment process.
2. To motivate students to develop technical knowledge and soft skills.

3. To motivate students to aspire for higher studies and guiding them for competitive exams.

4. Aiming to place the maximum number of students through campus and off-campus interviews conducted by the top companies.
